

Photo Challenge

Pick a word and try to capture it in a single photo. Maybe challenge your family to have a go too and compare the results. You could be even more creative and try to capture one shot for each box and stick them into a scrapbook, put them up on a wall to make a 'gallery' or even make a Powerpoint presentation to share. You could send your favourite picture to www.quarantinewithkids.co.uk to put up in our online gallery...
